84th Railsplitters Association Mission

- ◇ To promote fellowship among members (past, present and future) of the former 84th Division (Training) and/or its predecessor/successor commands.
- ◇ To support charitable organizations which benefit current or former members of the United States military.
- ◇ To hold in patriotic reverence the memory and spirit of those who served in the 84th Division (Training) and/or its predecessor/successor commands.

Dryhootch is a place where Veterans can gather informally in a coffee house; a safe, comfortable, drug-and-alcohol-free environment.

"Hootch" is military jargon for a hut or safe place to sleep during combat. The term "dry" denotes the organization's mission to provide a social gathering place for Veterans that is free of alcohol – one of the major problems plaguing Veterans of all eras. As such, the concept behind "Dryhootch" was a desire to establish a café-like environment dedicated to "helping Veterans who survived the war, survive the peace."
